IN MEMORIAM

PHILLIPS A. NOYES
1899-1979

"Rejoice O young people while you are young, and let your heart be glad in the days of thy youth.

Follow the ways of thy heart, the vision of thine eyes . . ."

Ecclesiastes

Mr. Noyes was educated at Dartmouth College, Harvard University, and the University of Grenoble. A teacher of Latin, French, Spanish, and German, he began his career at Cushing Academy where, he was proud to say, Bette Davis was one of his prize pupils. In 1949 he came to Fairhaven High School where he remained until his retirement in 1961. After that time, he became the most welcomed, respected, and loved substitute teacher of all time.

In June 1977, the Foreign Language Department instituted in the name of Mr. Noyes an annual award of appreciation to a senior foreign language student. Each recipient of this award must demonstrate those qualities of Mr. Noyes that we continue to admire; a strong ability and sincere desire to learn a foreign language with a sense of *joie de vivre,* reliability, enthusiasm, and a sensitivity of love for his fellow man.

SONG OF THE OPEN ROAD

Afoot and light-hearted I take to the Open Road,
Healthy, free, the world before me,
The long brown path before me leading
wherever I choose.

Henceforth I ask not good fortune, I myself
am good-fortune,
Strong and content I travel the open road.

Walt Whitman

PRINCIPAL'S ADDRESS

In the months ahead, you will make the decision to continue your education or to enter the world of work. Because both offer so many different paths, these choices will vary. Whichever path you choose, however, success will be yours only if you invest an extra effort and rely not on good fortune, but on yourselves.

To the class of 1980, I wish health and happiness.

SENIOR PLAY

ROW 1: J. Evans, G. Guzman, J. Faunce,
ROW 2: J. Lawton, K. Jesus, M. Amaral, F. Costa, F. Ferro, S. Simpkin, D. Morrow, A. Tillet.

In August of 79 one of our classmates, Jennifer Thayer, left Fairhaven to finish her high school education in Germany. While in Germany, she enjoyed playing soccer and, thanks to the American Field Service, Jennifer was able to share a different culture and make many long-lasting friendships.

FOREIGN EXCHANGE STUDENTS

Fernando Rodrigo Olmedo is our American Field Service student from Paraguay. He arrived in the summer of 79 from his hometown of Asuncion and met his host family, the Rogers. During his short stay here, Fernando has visited Montreal and Ontario, Canada. His active part in the band and the A.F.S. club will be remembered by all his classmates.

We were fortunate to have two foreign students at F.H.S. Gabriela Guzman came to us from Valdivia, Chile, and has been spending the year with the Ransom family. She's been involved in chorus and the A.F.S. club. We shall never forget "Gaby" as Countess Dracula in the Speech and Drama play.

We hope Fernando and Gabriela, will have many memories to take home with them and we wish them only the best for the future.

THE CHEER-LEADERS' DANCE

Hathaway Marine Equipment

Specified by Boat Owners & Designers

The World Over

HATHAWAY MARINE EQUIPMENT

Fishing's no business for babies. It takes strength and endurance. And that goes for the machines as well as the men.

At sea, your livelihood and your life may depend on machines that deliver smooth, reliable power when you need it.

Over the 65 years we've been in business, fishermen have learned that you never have to baby a Hathaway machine, that it always does a reliable, man-sized job.

That's why Hathaway marine equipment is the leader in the United States and in ports abroad.
